

Applications Sought for SVP Adjunct Partners

Connect. Learn. Engage.

Social Venture Partners Boulder County (SVP) announces Adjunct Partner openings for community-minded individuals working and/or living in Boulder County.

We seek individuals interested in connecting, learning, and engaging, while applying their knowledge and skills to strengthen the nonprofit community as volunteers.

Adjunct Partners meet and work with entrepreneurial individuals, while building skills and receiving professional development. For Adjunct Partners, there are opportunities to lead projects, work on dynamic teams and create new solutions. Our Partners comprise of a wide variety of individuals – from therapists to accountants – and we find that each person has unique experiences, skills and perspectives to lend toward our work with nonprofits.

About SVP Boulder County

SVP builds relationships among donors, volunteers and organizations out to change our world. We help individuals make a greater community impact, strengthen nonprofits and equip our community to tackle great social challenges together. SVP strengthens nonprofits through education, leadership development and consulting support. We prepare donors and volunteers to have greater philanthropic impact through trainings, peer and experiential learning, and networking.

About the Adjunct Partners Program

We believe one of the key characteristics of a strong, healthy network of people is having as diverse a group of Partners as possible, who bring a range of backgrounds, experience levels, perspectives, knowledge, and cultures into the organization. SVP's Adjunct Partners program was created in 2004, with the intent of opening doors to people who will add value to and gain personal value from involvement in SVP, but who cannot otherwise make the required financial membership commitment.

Adjunct Partners participate and are involved in SVP just like any other member, which includes engaging as a volunteer, and attending social and educational events. In 2019, we will welcome 3-4 new Adjunct Partners, and encourage individuals with either for-profit or nonprofit experience to apply, if:

- You have a desire to make a significant contribution to your community.
- You have experience and knowledge that you are interested in volunteering on behalf of SVP.
- You are someone who will bring diverse perspectives and experiences to our work.
- You would not otherwise have the financial means to join SVP.
- You live and/or work in Boulder County.
- You are at least 21 years of age.
- You are willing to make a donation to SVP that is personally meaningful.
