

Goals Related to the Boulder County COMMUNITY

Build Community Support for Local Nonprofits

Goal: In each fiscal year, more of Boulder County's philanthropic resources are going toward local nonprofits.

Improved Reporting on Community Impact

Goal: In each fiscal year, SVP educates and supports Boulder County nonprofits to develop means of reporting measurable impact in order to demonstrate a more thriving community.

Bolster Credibility and Appeal of Nonprofits in the Larger Community

Goal: In each fiscal year, SVP recommends proven business practices in order to define a strong and resilient social sector.

Goals Related to PARTNER MEMBERS

Build Connections: Receiving/Building

Goal: Each year, Partners build connections that provide personal value and impactful volunteer opportunities, resulting in a sense of community stewardship.

Engage: Doing

Goal: Each year, Partners engage in SVP programs and organizational leadership – based on individual preferences – that utilize their skills, develop SVP and community relationships, and expand philanthropic pathways.

Knowledge: Acquiring

Goal: Each year, Partners engage in learning opportunities within SVP and the community, enhancing and sharing their expertise for greater impact.

Goals Related to NONPROFITS

Skills and Support

Goal: Increase leadership skills and competence to accelerate organizational gains with proven expertise of SVP Partners and Programming

Enhanced Connection

Goal: Nonprofit leadership and staff, through SVP support, acquire valuable connections contributing to their sense of agency and innovative capacity.

Intensified Action and Sustainability

Goal: Nonprofit leaders apply SVP's Support to improve governance and management practices, enhancing their participation and impact in the community.
