SVP Boulder County Corporate Partnership Program

At SVP Boulder County, we believe that strong nonprofits make for a strong community. For over two decades, SVP has worked side-by-side with Boulder County nonprofits to create a community where everyone can thrive. Through capacity building, grantmaking, and skilled volunteering, we support and invest in community-led solutions that are powered by people doing the work.

FOUNDED

Cash Grants

Whether your company is already engaged in philanthropy or new to the field, SVP Boulder County offers a unique opportunity to leverage your employee's professional expertise while also learning about and giving back to local nonprofits. SVP provides the vehicle for your employees to engage, mentor, even transform nonprofit organizations. Through a commitment to working with nonprofits on a project basis, around your schedule, your employees can actively catalyze meaningful and measurable change while helping nonprofits better fulfill their missions.

Corporate Partnership Benefits:

- Engage employees in high level, skills-based volunteering
- Provide employees with professional development and leadership opportunities
- Leverage your venture philanthropy with other local companies and individuals
- Networking opportunities with SVP Partners and nonprofits
- Increase your employee's knowledge of Boulder County's nonprofit sector

Needed Areas of Expertise Include:

- Accounting & Finance
- IT & Technology
- Change Management
- Marketing, Communications & PR
- Legal Assistance
- Human Resources
- Diversity, Equity, and Inclusion

Corporate Sponsorships

SVP Boulder County seeks sponsorship support from local corporations and businesses to help us expand our capacity building programs and events so that together, we can better address the needs of Boulder County's nonprofit sector. As a community convener, SVP is connected to a wide network of local nonprofits as well as our own network of philanthropic Partner members which could assist in your company's reach in Boulder County.

Corporate Sponsorship Opportunities:

- **Creating Connections** – networking sessions bringing nonprofit leaders, SVP Partners, and community members together to listen, learn, and engage with one another.
- **Board Development & Leadership Workshops** – educational sessions designed for nonprofit leaders and nonprofit board members to enhance their knowledge and skills.
- **Celebrating Nonprofits Event** – a new community event celebrating the impactful work of Boulder County's nonprofit sector by highlighting SVP's Catapult program participants and the nonprofit leaders moving our community forward. Attendees include nonprofit leaders, SVP Partners, business leaders, and government officials.

Sponsorship Levels

\$2,500 Non-exclusive Sponsorship

\$5,000 Non-exclusive Sponsorship

\$10,000 Exclusive Sponsorship

**Custom opportunities available*

Corporate Sponsorship Benefits:

- Recognition through SVP communications, including email, social media, and website
- Opportunities to present or sponsor educational events for nonprofits and SVP Partners
- Opportunities to host networking events at your office/business for nonprofits and SVP Partners
- Engage and learn more about Boulder County's nonprofit sector
- Demonstrate a commitment to the Boulder County community while also getting your name in front of 300+ nonprofits in SVP's network
